Project Portfolio

The work, newest first. Every entry shipped, and every one changed how the business ran.

Latitude Legal

Senior Director of Technology

2024 – Present

- **CRM & ATS Transformation:** Moved the company off Bullhorn onto one Salesforce platform with Asynbl, an Experience Cloud candidate portal, AI agents, and email sync.
- **M365 Tenant Migration:** Re-architected hosted Exchange into Microsoft 365 for a 150 to 500 user organization, with tenant, permissions, and security designed in from the start.
- **M&A Systems Integration:** Unified platforms, data, and workflows across four post-acquisition integrations without disrupting client-facing operations.
- **Cybersecurity & MSSP:** Stood up a dedicated MSSP with endpoint protection, VPN, and formal security governance from the ground up.
- **Contract Lifecycle Automation:** Replaced manual signature workflows with Ironclad CLM wired natively into Salesforce.
- **Zoom Phone AI IVR:** Retired Dialpad and an outside answering service for Zoom Phone and a fully automated AI IVR, cutting telephony spend by 90%.
- **AI Productivity Platform:** Deployed meeting transcription, internal AI chat, and custom GPT agents that cut administrative overhead across teams.
- **Power Automate Onboarding:** Built a multi-path Forms and Power Automate system routing hires to the right teams and Planner boards, clearing a hiring bottleneck.

AlliedUP Cooperative Inc.

Vice President of Technology

2022 – 2024

- **ATS & CRM Consolidation:** Consolidated BlueSky ATS and Salesforce CRM onto one Bullhorn platform, ending spreadsheet-based recruiting.
- **Executive & Board Reporting:** Built Bullhorn Canvas KPI pipelines giving leadership, the board, and grant stakeholders real-time visibility.
- **HRIS & Payroll:** Implemented ADP Workforce Now for payroll, benefits, and HR across a distributed clinical workforce.
- **Compliance Integration:** Integrated AccuSource background screening into Bullhorn with automated pass-through to PEO onboarding.
- **Technology Budget Ownership:** Owned a budget above \$1M end to end across internal, nearshore, and offshore teams.
- **Telephony Migration:** Moved telephony to Zoom Phone, lowering cost while improving quality and scale.

EOSG Resources, LLC

Director of Information Services

2014 – 2022

- **Systems Integration Architecture:** Designed an end-to-end ATS to payroll to ERP pipeline, eliminating manual data transfer across roughly 900 active clients.
- **ERP Migration, Oracle to Dynamics:** Led the move from Oracle E-Business to Microsoft Dynamics, aligning payroll and financial reporting.
- **ERP Migration, NetSuite to Intacct:** Delivered automated financial reporting and executive dashboards, cutting month-end close from weeks to hours.
- **ATS Modernization:** Replaced Avionte with Bullhorn and migrated HRIS to PrismHR across the client base.
- **Internal MSP Function:** Built an internal MSP providing CTO-level advisement and infrastructure management to field-services clients.
- **Process Mapping & SOPs:** Codified standardized frameworks across recruiting, sales, and finance through eight years of sustained growth.

Oreq Corporation

Interim Director of Technology (Contract)

2013 – 2014

- **ERP Implementation, Macola:** Connected manufacturing, procurement, and logistics into one reporting system with executive dashboards.
- **Manufacturing Time Tracking:** Deployed floor time tracking that addressed turnover bottlenecks and improved labor visibility.
- **Remote Department Deployment:** Stood up the technical infrastructure for a distributed business development team.

Cannon Fabrication, Inc.

Engineering & IT Manager

2006 – 2013

- **ERP Implementation, Sage MAS 300:** Led the migration from legacy DOS accounting to Sage MAS 300 across manufacturing and distribution.
- **KPI Dashboard Platform:** Built integrated dashboards combining ERP, CRM, and production data for cross-functional visibility.
- **Engineering Platform Migration:** Moved engineering from AutoCAD to SolidWorks, tightening alignment with production.

Casablanca Fan Company (acquired by Hunter Fan Company)

Senior Data Analyst & IT Manager

2005 – 2006

- **Executive Reporting Platform:** Built the cross-functional dashboards and reports presented in regular leadership performance reviews.
- **Cybersecurity & Compliance:** Managed security configuration, auditing, and data integrity across the technology environment.

Anchor Blue Retail Group

Business Analyst (Contract)

2005

- **Inventory Management System:** Contributed to a \$1M inventory and tracking system implemented across all retail locations.
- **POS & Ticketing Systems:** Built an internal POS database and the organization's IT support ticketing system.

ITT Technical Institute

Network & Systems Administrator

2003 – 2005

- **Proprietary Grade Database:** Designed a custom database for student grade tracking, replacing a fully manual process.
- **Campus Network Migration:** Led a network hardware migration while maintaining continuity for students and faculty.
