

Jamie Butler

Technology Leader | Strategy · Architecture · Transformation

Texas, US | jamiadambutler@icloud.com | (951) 768-4008 | [linkedin.com/in/jamiadambutler](https://www.linkedin.com/in/jamiadambutler)

Professional Summary

Technology leader driving enterprise migrations and integrations across CRM, ATS, ERP, HRIS, and CLM platforms. Led Salesforce, Ironclad, Bullhorn, NetSuite, Sage Intacct, ADP, and Zoom Phone projects, including a 150–500 user M365 tenant migration and multiple post-acquisition system consolidations. Directs distributed teams, vendor portfolios, and security posture to maintain operations during platform change.

Professional Experience

Senior Director of Technology

Apr 2024 – Present

Latitude Legal

- Directed enterprise technology strategy to modernize infrastructure, deploy AI, and enable scalable operations
- Designed and executed 150–500 user M365 tenant migration from hosted Exchange, including tenant design, permissions, security, and SharePoint intranet
- Led full enterprise migration from Bullhorn to Salesforce, building Experience Cloud portal and integrating Ironclad, HubSpot, Jira, and Slack
- Migrated contract workflows to Ironclad CLM with native Salesforce integration and replaced Dialpad/answering service with Zoom Phone and AI IVR
- Established cybersecurity governance with MSSP, endpoint protection, VPN rollout, and comprehensive security policy framework
- Engineered Microsoft Forms and Power Automate onboarding routing hires to teams and Planner, removing a key hiring bottleneck
- Managed a 40+ person distributed organization across four post-acquisition system integrations with in-house and offshore teams

Vice President of Technology

Apr 2022 – Apr 2024

AlliedUP Cooperative Inc.

- Directed \$1M+ technology budget and operations across internal and offshore teams, improving delivery predictability
- Consolidated ATS and CRM into Bullhorn, ending recruiter spreadsheet use and unifying sales workflows
- Implemented ADP Workforce Now and integrated AccuSource with Bullhorn to remove manual handoffs and tighten compliance
- Built Bullhorn Canvas KPI pipelines for executive, board, and grant reporting, replacing manual data pulls with real-time dashboards
- Migrated telephony to Zoom Phone, reducing telecom costs while improving call quality and scalability

Director of Information Services

Oct 2014 – Apr 2022

EOSG Resources, LLC

- Built an integrated tech ecosystem that supported sustained headcount and client growth over 8 years
- Supported ~900 active clients by designing end-to-end ATS to payroll to ERP integrations for continuous data flow
- Directed Oracle E-Business to Microsoft Dynamics migration, aligning payroll and financial reporting across departments
- Managed NetSuite to Sage Intacct migration and Avionte to Bullhorn/PrismHR moves; led 10 admins and codified SOPs

Interim Director of Technology

Feb 2013 – Apr 2014

Oreq Corporation

- Directed an ERP migration connecting manufacturing, procurement and logistics, restoring cross-departmental data flow during a major operational transformation

- Built Crystal Reports executive dashboards that improved visibility for leadership and informed decisions
- Scaled a remote business development department to support expanded sales outreach and operational needs
- Deployed manufacturing-floor time tracking that eliminated turnover bottlenecks and improved labor visibility

Engineering & IT Manager

Jan 2006 – Feb 2013

Cannon Fabrication, Inc.

- Directed migration from DOS to Sage MAS 300 ERP, improving data consistency and reporting across manufacturing and distribution
- Led migration from AutoCAD to SolidWorks, accelerating engineering workflows and improving CAD data integration with ERP and production systems

Education

MBA, Business Information Systems — ITT Technical Institute

B.S., Computer Science — Information Systems Security — ITT Technical Institute

A.S., Computer Science — Computer Network Systems — ITT Technical Institute

Certification

AI Fundamentals / AI Foundations — IBM

AI Agent Framework — Microsoft

Azure Infrastructure Architect — Microsoft

Responsible AI — Microsoft

PMP Training Course — Project Management Institute

Agile with Jira — Coursera
