Project Portfolio

A timeline of enterprise technology initiatives, newest first.

2024 – Present

Senior Director of Technology · Latitude Legal

- **CRM & ATS Transformation** — Migrated Bullhorn to Salesforce with Asymbi, an Experience Cloud candidate portal, AI agents, and email sync on one platform.
- **M365 Tenant Migration** — Architected the move from hosted Exchange to Microsoft 365 for a 150 to 500 user organization, including tenant, permissions, and security design.
- **Contract Lifecycle Automation** — Replaced manual signature workflows with Ironclad CLM, natively integrated to Salesforce.
- **AI Productivity Platform** — Deployed meeting transcription, internal AI chat, and custom GPT agents to cut administrative overhead across teams.
- **Power Automate Onboarding** — Built a multi-path Forms and Power Automate system routing hires to the right teams and Planner boards, clearing a hiring bottleneck.
- **Zoom Phone AI IVR** — Replaced Dialpad and a third-party answering service with Zoom Phone and a fully automated AI IVR.
- **Cybersecurity & MSSP** — Stood up a dedicated MSSP with endpoint protection, VPN, and formal security governance from the ground up.
- **M&A Systems Integration** — Unified platforms, data, and workflows across four post-acquisition integrations without disrupting client-facing operations.

2022 – 2024

Vice President of Technology · AlliedUP Cooperative Inc.

- **ATS & CRM Consolidation** — Consolidated BlueSky ATS and Salesforce CRM onto one Bullhorn platform, ending spreadsheet-based recruiting.
- **Executive & Board Reporting** — Built Bullhorn Canvas KPI pipelines giving leadership, board, and grant stakeholders real-time visibility.
- **HRIS & Payroll** — Implemented ADP Workforce Now for payroll, benefits, and HR across a distributed clinical workforce.
- **Compliance Integration** — Integrated AccuSource background screening into Bullhorn with automated pass-through to PEO onboarding.
- **Telephony Migration** — Moved telephony to Zoom Phone, lowering telecom cost while improving quality and scale.
- **Technology Budget Ownership** — Owned a technology budget above one million dollars end to end across internal, nearshore, and offshore teams.

2014 – 2022

Director of Information Services · EOSG Resources, LLC

- **ERP Migration: Oracle to Dynamics** — Led complex migration, aligning payroll and financial reporting.
- **ERP Migration: NetSuite to Intacct** — Delivered automated financial reporting and executive dashboards that reduced month-end close complexity.
- **ATS Modernization** — Replaced Avionte with Bullhorn and migrated HRIS across ~900 active clients.
- **Systems Integration Architecture** — Designed an end-to-end ATS to payroll to ERP pipeline, eliminating manual data transfer between departments.
- **Process Mapping & SOPs** — Built standardized operational frameworks across recruiting, sales, and finance to support sustained growth.
- **Internal MSP Function** — Built an internal MSP providing CTO-level advisement and infrastructure management to field-services clients.

2013 – 2014

Interim Director of Technology (Contract) · Oreq Corporation

- **ERP Implementation: Macola** — Connected manufacturing, procurement, and logistics into one reporting system with executive dashboards.
- **Remote Department Deployment** — Stood up the technical infrastructure for a distributed business development team.
- **Manufacturing Time-Tracking** — Deployed floor time-tracking that addressed turnover bottlenecks and improved labor visibility.

2006 – 2013

Engineering & IT Manager · Cannon Fabrication, Inc.

- **ERP Implementation: Sage MAS 300** — Led the migration from legacy DOS accounting to Sage MAS 300 across manufacturing and distribution.
- **KPI Dashboard Platform** — Built integrated dashboards combining ERP, CRM, and production data for cross-functional visibility.
- **Engineering Platform Migration** — Moved engineering from AutoCAD to SolidWorks, improving alignment with production.

2005 – 2006

Senior Data Analyst & IT Manager · Casablanca Fan Company (acq. Hunter Fan)

- **Executive Reporting Platform** — Built cross-functional dashboards and reports presented to leadership in regular performance reviews.
- **Cybersecurity & Compliance** — Managed security configuration, auditing, and data integrity across the technology environment.

2005

Business Analyst (Contract) · Anchor Blue Retail Group

- **Inventory Management System** — Contributed to a \$1M inventory and tracking system across all retail locations.
- **POS & Ticketing Systems** — Built an internal POS database and the organization's IT support ticketing system.

2003 – 2005

Network & Systems Administrator · ITT Technical Institute

- **Proprietary Grade Database** — Designed a custom database for student grade tracking, replacing a fully manual process.
- **Campus Network Migration** — Led a network hardware migration while maintaining continuity across student and faculty environments.
